Residential on 0.49 Acres

Hockaday Square, Dallas, TX

Featured on the AIA Home Tour in 2020, this architect-designed contemporary home combines the finest in design, craftsmanship, and setting. Located in the desirable Hockaday Neighborhood, and designed and built by acclaimed architect Doug Guling, AIA, and completed in 2018, this architectural masterpiece sits gracefully on a lush creek lot along iconic Strait Lane. This exceptional home was thoughtfully designed to capture the serenity and beauty of its natural surroundings, with expansive walls of glass and custom Mondrian-style windows that flood the interior with light and frame picturesque views of the mature trees, beautifully designed landscaping, and the tranquil creek beyond. A striking oversized entry door opens to reveal a curated art wall and a breathtaking two-story great room. Here, the open-concept living and dining spaces flow into a chef's kitchen outfitted with premium appliances, custom cabinetry, and easy access to the outdoor living spaces—including a resort-style pool and spa, covered cabana with full bath, firepit, and outdoor kitchen. The main level is anchored by a serene primary suite, which enjoys uninterrupted views of the creek, direct access to the spa and pool and a lower patio with screens and heaters. The primary bath is bathed in natural light and features a soaking tub, oversized walk-in shower, dual vanities & a walk-in closet with extensive cabinetry and secondary laundry hook-ups. A guest suite, office with half bath, a wet bar and chilled wine

room, catering kitchen, butler’s pantry, mudroom with dogwash, and access to three garage bays with workshop complete the first floor. Upstairs, three en-suite bedrooms are complemented by a living area that opens to a covered terrace, laundry, and a glass-walled 2nd office overlooking the great room and verdant grounds. Outfitted with Control4 smart home technology for lighting, security & automation, this home blends elegance with modern convenience in a quiet estate location.

Built in 2018
