Step into this extraordinary home

A grand stone staircase with wrought iron railing welcomes you, set against floors of Turkish travertine. Exposed firewood beams painstakingly stained to perfection. The quality is so extraordinary that two cranes broke during installation.

Throughout the home, hand-scraped oak floors, multiple marble fireplaces crowned with elegant molding, and plantation shutters elevate every space.

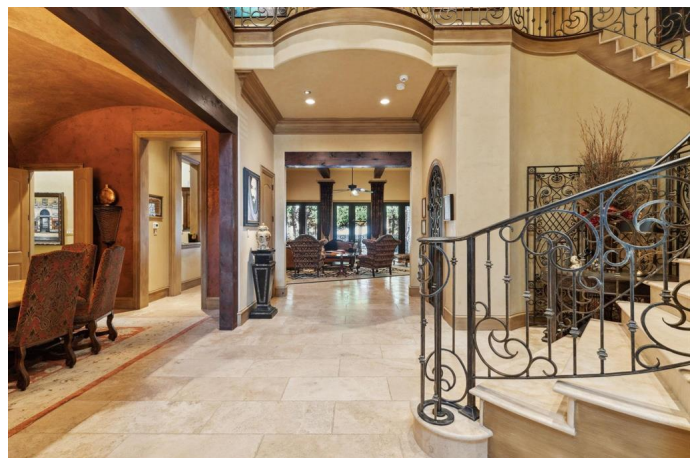

The living room boasts gorgeous iron French doors that open to a sprawling outdoor patio, seamlessly blending indoor and outdoor living.

The oversized kitchen is a chef's dream, featuring a massive granite island with oval seating for six, custom maple cabinetry, and top-of-the-line appliances.

For entertainment, enjoy a massive media room complete with billiards, home theatre, and a commercial-grade pub with stainless steel finishes.

The library-sized study is wrapped in rich maple wood paneling, with soaring ceilings, plantation shutters, and semi-circular windows that flood the room with natural light.

Stay fit in the exercise room, equipped with

4,500 lbs of professional-grade equipment.

Wine enthusiasts will love the climate controlled wine cellar, capable of holding 3,000 bottles.

The primary suite is a retreat in itself with a custom iron chandelier, breathtaking backyard views, and a spa like bathroom featuring diamond pattern granite floors, double sinks, an oversized shower with three body sprays, plus a urinal and bidet. The master closet boasts a soaring ceiling and a hidden passageway leading to the library.

Step outside to your resort-style patio, with an in-ground spa, towering 15-foot privacy fence, built-in grill, outdoor fireplace, oversized TV, double ceiling fans, and dining area – all watched over by two majestic custom stone lions.

This home is truly one-of-a-kind, offering a blend of artistry, function, and luxury that must be seen to be believed.
