Bluff View Estates, Dallas, TX

Completion: Nov 2025. A masterclass in light, balance, and understated luxury, Casa de Luz is the newest bespoke estate by Catena Homes, in collaboration with Briggs AD and Sees Design. This modern Spanish estate captures the essence of timeless architecture — where old-world craftsmanship meets contemporary elegance. Located in the heart of Bluffview, Casa de Luz offers 6 bedrooms, 8 baths, and approximately 7,200 square feet of refined living. Within minutes of Dallas's premier private schools — St. Mark's School of Texas (~7 min drive), The Hockaday School (~8 min), and Episcopal School of Dallas (~10 min) — the home delivers both serenity and connection in one of Dallas's most desirable neighborhoods.

Beyond the gated entry, arched corridors, and hand-textured fireplaces create a rhythm of warmth and sophistication. Soaring ceilings invite natural light throughout the day, and each room has been crafted with intention — from artisan tilework to custom millwork and stone detailing sourced from across Europe.

The kitchen, a sculptural centerpiece fitted with Wolf and Subzero appliances, honed marble surfaces, and bespoke cabinetry, flows effortlessly into a dining and living area designed for al fresco evenings and golden-hour gatherings. The primary suite is a sanctuary — complete with a spa-level bath and steam shower, oversized closet with

laundry connect, and views overlooking manicured gardens and courtyards.

Built for those who value design pedigree, architectural authenticity, and long-term craftsmanship, Casa de Luz is more than a home – it’s a legacy in the making.
